Annual Giving Report 2009–2010

Dear Friends and Families of Mill Springs Academy,

Mill Springs' Annual Report is published by our Development Office to express gratitude to those who have made a financial contribution to the school and/or volunteered for various fundraising efforts during the 2009–2010 school year.

Every effort has been made to ensure that each contributors name is properly listed. We apologize if your name was wrongly omitted, listed incorrectly, or misspelled. However, if you find an error, please advise our Development Office by calling 678-893-7777.

I hope you enjoy reviewing the report and encourage you to contact our Development Office or me personally, with any questions you may have.

Sincerely,

LETTER FROM THE CHAIRMAN OF THE BOARD

As Chairman of the Board of Trustees, I am proud to report that Mill Springs 2009–2010 academic year was a successful year in many aspects. Even during these challenging economic times, Mill Springs remained fiscally strong. We continued to operate within budget; maintained targeted levels for enrollment; paid off all of the school's long and short-term debt; and continued to plan for the future of school as evidenced by the completion of a land-plan for the remaining facilities on the school's 85-acre campus. We look forward to communicating the vision for our school's future and encouraging the participation of every member of our community to make certain this vision becomes a reality.

Throughout this report you will find the names of those who have contributed to the school through July 30, 2010. The generosity and commitment of our families never ceases to amaze me and I am deeply grateful for the financial sacrifice that so many continue to make on behalf of MSA. We simply could not be the kind of school we want and need to be without this philanthropic involvement.

On behalf of the Board of Trustees of Mill Springs Academy, I would also like to thank our incomparable faculty and administration, devoted parents, and the many unflagging volunteers who continue to make Mill Springs such a special place.

Mark Droege
Chairman, Board of Trustees

Success in School ... Success in Life

LETTER FROM THE HEADMASTER

If I had to describe Mill Springs' school community in one word, that word would be committed. Whether it is students working together with their teachers and peers to become their best; the MSA band practicing their hearts out to prepare for a performance on Grandparents' Day; the faculty who give up countless evenings and weekends to coach or moderate extracurricular activities; or our PVA parents who work tirelessly on events like the Family Dinner and Auction, the level of commitment to MSA is one by which I am frequently humbled.

The following Annual Report includes thousands of names of parents, past parents, faculty, staff, alumni, and friends of Mill Springs Academy who are so committed that they have made a financial sacrifice to ensure that we are able to teach the way our students learn. Our community has been blessed by your generosity and we cannot thank you enough for the gifts of time, talent, and treasure that you continue to make toward the success of our school.

In a time when enrollment shortfalls are forcing many schools to resort to lay-offs to balance their budgets, we are especially grateful that Mill Springs' enrollment numbers remain strong. While we can certainly attribute this to the unique strengths of our outstanding teachers it is also due, in no small part, to the level of financial assistance that we are able to offer as a result of monies raised through our Annual Fund. That is why the Annual Fund at Mill Springs is and will continue to be the most important fundraiser for our school. During the 2009–2010 school-year, we achieved a record breaking 84% parent participation, as well as 100% participation from our Board, Faculty, and Staff.

Thank you again for your support—especially during these continued times of financial uncertainty. I hope you enjoy the 2009–2010 Annual Report.

Robert W. Moore
Headmaster

ANNUAL FUND

Chair

Angel Murr

Staff/Faculty Chair

Janet Ford

Mill Springs' Annual Fund is the cornerstone of our school's development program and contributes directly to the quality of education that takes place at the school. Gifts to the Annual Fund from parents, grandparents, faculty, staff, friends, and alumni are used to keep annual tuition increases to a minimum.

The growth of the Annual Fund reflects great trust in the mission of the school and has established a vital culture of giving as we move forward with our plans for expansion. Great commitment from our parents, volunteers, Board of Trustees, faculty, staff, and friends of the school has created an exceptional acceleration in the Annual Fund. Continued support of the Annual Fund will ensure a strong future for every student at Mill Springs Academy.

The following are just a few examples of ways in which Annual Fund dollars are spent:

- **Keep tuition increases down**

(annual tuition increases at MSA have remained at 3% over the past 5 years; much lower than the national average of 7%)

- **Allow us to attract and maintain valuable staff**

(through competitive salaries and benefits like 401K, insurance, continuing education)

- **Fund our Scholarship Endowment program**

(5% of the monies raised each year are set aside to help fund our scholarship endowment program)

- **Broaden our Fine Arts curriculum**

(giving students full access to programs in art, theater, chorus, band, media, and broadcasting)

- **Provide funds for various classroom enhancements**

- **Covering Unanticipated Operating expenses**

(Unscheduled repairs, etc.)

PARENT VOLUNTEER ASSOCIATION (PVA)

The Parent Volunteer Association (PVA) is comprised of the officers, committee, chairs, school representatives, and any parent who wishes to join the PVA. Meetings were held on the last Monday of each month from August, 2009 through May, 2010. Due to the generous support of many individuals and families who supported our various fundraising efforts during the 2009–2010 school year, the PVA was able to make significant in-kind donations to Mill Springs, including but not limited to purchasing a new school bus to add to MSA’s fleet, as well as brand new park benches for the entire campus. To get on the PVA’s meeting agenda or to become a volunteer, please contact the PVA President or the PVA Membership Coordinator whose names are listed in the school handbook. Membership forms are sent with enrollment packets and available on line.

Mission Provide support for the students and staff to carry out the purpose of Mill Springs Academy.
