During the 4 -5pm time period, students can work on their assignments in a supervised setting. Cost for tutorial from 4pm – 5pm: is \$20.00 per day. **(All students on campus after 4:00p.m. must be in a supervised area with a teacher).**

Students should check in with Maritza or Will at 4:00pm. Attendance will be taken daily and submitted to Lavone for monthly billing to parents. You may opt for your student to participate as often as they need.

It is important that parents and teachers stay in good communication about the after school tutorial program. **This program works best when teachers know ahead of time which student is staying after school to work with them.**

- **If you wish your student to ride the late bus, talk to Will Turner about cost and routes.**
