## Volunteer Service Sheet (record keeping)

### Upper School: Fall/Spring Semester

Volunteer service is one of the vital components of the Mill Springs Academy Levels system. The purpose is to help students to realize and to respond to the needs of our community at large. The faculty and staff of MSA encourage and support this responsibility and participation by all our students. Volunteer service can be done anywhere as long as it is not part of your regular responsibilities/chores (make your bed) and you do not receive any money for your work. We sometimes have service hours available at school, but we encourage you to seek opportunities in your neighborhood or with registered agencies.
